†Monthly payment shown is equal to the purchase price (excluding taxes and delivery) divided by the number of months in the promo period, rounded to the next highest whole dollar, and only applies to the selected financing option shown. If you make your payments by the due date each month, the monthly payment shown should allow you to pay off this purchase within the promo period if this balance is the only balance on your account during the promo period. If you have other balances on your account, this monthly payment will be added to the minimum payment applicable to those balances.
